

Dear West Annapolis Neighbors and Business Colleagues,

Please join **West Annapolis Art Works** in bringing professional artists to paint in our community this spring. We are undertaking a program this May for “en plein air” (artists who work “in the open air”, painting outdoors, directly from life) to **Paint West Annapolis**.

Our goal is to spread the word about the uniqueness of this neighborhood by highlighting the history and the landscape of West Annapolis while opening our streets, gardens and shorelines to some of Maryland’s finest Artists. Our hope is, by reprinting “**Listening to the Trees**” A Walking Tour of West Annapolis & Wardour we can continue to spread the word about this amazing area called West Annapolis.

Your Generous Contribution will help all of us,

- Capture the spirit of our neighborhood by bringing the Arts to our town.
- Continue to spread the word about the uniqueness our neighborhood by reprinting “**Listening to the Trees**” A Walking Tour of West Annapolis and Wardour. *Last printed in 2004.*
- Acknowledge the best of the best in our Art community with monetary prizes.
- Support future artists. 10% of proceeds (Sale of Art Work) will be donated to “Bates Middle School” Our community Magnet School for the Arts.
- Receive business recognition in printed material as well as on our hand drawn commemorative map.

4 Annaolis St
Annapolis, MD 21401
410-295-7045

Your financial sponsorship of
\$25 , \$50, \$100
will enable us to bring a
successful event to this community.
